Every farmer benefits from understanding their risk and employing a disciplined marketing plan.

OUR 3-STEP APPROACH

HELPS REMOVE THE GUESSWORK FROM GRAIN MARKETING

Silveus Financial combines the power of proprietary analytics with the intelligence of an experienced team to help farmers make informed, unemotional marketing decisions.

MODEL

Using our proprietary nCompass™ software, we model your overall crop profitability to visualize profit and loss in an interactive matrix.

PLAN

We create a multi-year Precision Marketing Risk Plan tailored to your farm that, together with our HedgeTRAK proprietary hedging benchmark, aims to balance risk reduction with your crop's potential profit.

EXECUTE

Our team of iDesk Risk Managers monitors, evaluates, & recommends strategies to execute a Precision Marketing Risk Plan based on your goals.
